谷山恭子

Nationality: Japanese

E-Mail : k(atmak) [kyocotaniyama.com](mailto:k(atmak)@kyocotaniyama.com)

Born in Japan; live and work in Berlin.

Researching local histories inspires my artworks/exhibitions, and I create sculptures and multimedia installations specific to a locale's particular identity. Through my works, I attempt to celebrate life, humanity and our environment while simultaneously shining a fresh light on human behaviour.
